

Appendix F

[Deleted Effective: December 1, 2002]

1. Appendix F has been deleted because it has become obsolete as a result of the passage of time and amendments to the Criminal Justice Act. The CJA (18 U.S.C. § 3006A, *et seq.*) and its implementing regulations adequately address the fee reimbursement issues covered by Appendix F, and to continue to address the issues in an Appendix would require frequent amendments to keep it current. Further, the other matters addressed in Appendix F in the nature of guidance to appointed attorneys are covered in detail by materials available on the District Clerk's and Federal Public Defender's websites.

2. Accordingly, to avoid the need for constant amendment, and also to prevent redundancy, Appendix F has been deleted in its entirety. In lieu of Appendix F, a page should be included in the packet provided to appointed CJA attorneys that will direct attorneys needing assistance to the information contained on the District Clerk's and Federal Public Defender's websites.
