Click the save icon to download the file to your computer.

Important: DO NOT open the file from the “Downloads” dropdown list that pops up after clicking save. This will open the document within a browser, and the audio will not be accessible from there.

Once the PDF file is opened from the saved location (desktop/designated folder), the paperclip will be visible. Click on the paperclip to access the audio file.

Helpful Tip:

To avoid buffering, save the MP3 file. This can be done by clicking the save icon or right clicking on the file itself and selecting “Save Attachment.”
