FOR THE WESTERN DISTRICT OF TEXAS
WACO DIVISION

CLERK, U.S. DISTRICT COURT
WESTERN DISTRICT OF TEXAS
BY 
DEPUTY CLERK

IN RE: UNPAID AND DELINQUENT FINES

ORDER

Effective immediately, it is hereby ordered that if the United States Probation Office, after reviewing a defendant's financial information, determines the defendant is unable to pay their fine as directed by the Court, the fine will be converted to a term of community service. The term of community service will be converted at a rate of 10 hours of community service for every \$100 that is due and owing on the fine, originally ordered by the Court. The conversion of the remaining fine amount to community service will occur after a defendant has failed to make a fine payment for 90 consecutive days. This order does not affect the collection of funds for Special Assessments or Restitution ordered by the Court.

The purpose of this Standing Order is to allow defendants an opportunity to satisfy their financial obligations, that were previously ordered by the Court, if it is determined they are unable to satisfy those financial obligations monetarily.

IT IS SO ORDERED.

SIGNED this 4th day of March 2020.
